

PUBLICATION AGREEMENT

This Publication Agreement, between _____ (Author[s] “you”) and the *College Sport Research Institute* (“we” or “us”), governs the work titled “_____” (the “Work”).

1. License. You retain the Work’s copyright. You hereby grant to us a worldwide, non-exclusive, perpetual, irrevocable, royalty-free, sublicensable license to:

- edit the Work to prepare it for publication;
- reproduce, distribute and display the edited Work in our journal (and other publications prepared by us or on our behalf) in any media now or hereafter known (including without limitation electronic publications such as the Internet, EBSCO Host, Westlaw, Lexis); and
- prepare abstracts, summaries, abridgments and translations of the published Work, which are included in the “Work” definition.

We do not restrict your republication or use of the Work following publication by us. However, we want first publication rights, and you confirm that we will publish the Work first. Thus, the foregoing licenses are exclusive to us prior to our publication of the Work. You confirm that you have disclosed to us all previous or pending public disseminations of the Work, including without limitation any publications or acceptances by other journals or disseminations via websites or conference proceedings.

We may choose not to publish the Work if it does not conform to our editorial standards, in which case we shall promptly notify you and all licenses shall terminate.

2. Other Confirmations. You confirm that you are the Work’s sole author(s); you have the right to convey the foregoing licenses; the Work does not infringe any third party copyright, publicity/privacy right or other proprietary right; and the Work is not defamatory or otherwise unlawful. You shall defend and indemnify us against all claims based on any alleged breach of your confirmations in this Agreement.

Compensation: You will receive one (1) free copy (pdf or hard-copy) of the article published online in the *Journal of Issues in Intercollegiate Athletics*. You will receive no royalty or other monetary return from the *College Sport Research Institute* for use of the article.

3. Entire Agreement. This Agreement is the sole and exclusive agreement between the parties regarding the Work and supersedes all prior conversations and understandings regarding its subject matter. This Agreement may be modified or supplemented only by a mutually signed writing.
